

USDDN ENTRY FEES

Effective
November 2019

For North American Host Clubs

Hosts clubs follow the existing process to submit a qualifier (fill out the web form on our website – www.usddn.com)

Submit your scores through the website and remit your fees.

To calculate fees for North American hosts, multiply entries for both qualifying divisions by \$5.00 USD.

FOR EXAMPLE:

Super Open Freestyle
You have 20 entries x \$5.00 USD = \$100 USD

Super Pro Toss & Fetch
You have 30 entries x \$5.00 USD = \$150 USD

Total fee remitted to USDDN
is \$250 USD

For All Other Host Clubs

(Europe, Asia, South America, Australia etc)

USDDN cannot ship medals at an affordable price to hosts outside of North America, as such the price per entry for host clubs outside of North America will be \$2.00 USD per entry for qualifying divisions (use the same calculations as above with a \$2 USD). The price difference will allow hosts to purchase their own medals or awards of their choice.

Please send in your entry fees to USDDN via Paypal to usddnrsvpworlds@gmail.com

All entry fees are due to USDDN with qualifier scores, no later than 10 days after the qualifier has closed. Failure to send in the fees will affect Worlds invitations, no Q or Alt invitations will be sent out to players if fees have not been paid by the host organization.
